TOTAL COST OF ONE NEW MATCH | \$1,250

Matching a Little with a Big takes a team of professionally trained staff to ensure every child and volunteer start their match with a strong foundation. From recruitment and match introduction to match hangouts and group activities, Bigs and Littles grow a life-long friendship that opens a path to the youth's brightest possible future.

COMMUNITY ENGAGEMENT | \$150

Our Bigs are entrepreneurs, corporate employees, retirees, college students and more. Networking, community partners, lunch and learns and marketing are each a crucial part of our volunteer recruitment efforts.

ENROLLMENT PROCESS | \$450

Each of our Bigs, Littles and parent/guardians go through an in-depth enrollment process to ensure a safe and compatible match. Also, our Bigs and Littles are unique and we want to learn about their unique character, interests and personality.

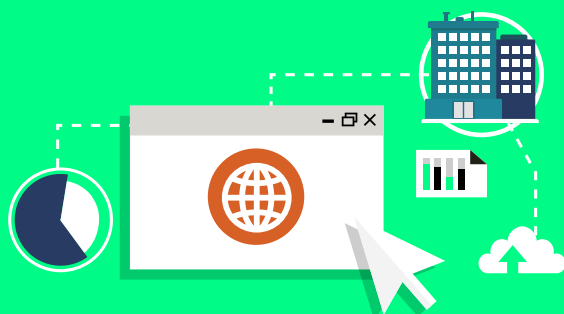

MATCH INTRODUCTION | \$50

After the enrollment process is complete, the Bigs and Littles are ready to be matched! This starts with a match introduction with their Match Support Specialist where they review ground rules, set goals and get to know each other.

MATCH SUPPORT | \$500

Our program is unique because we provide each match with a Match Support Specialist who completes monthly guided conversations during the first year with all parties to ensure match safety and growth. Support continues quarterly throughout the life of the match. Our staff also assists families with community resources.

OPERATING COSTS | \$100

Administrative costs such as accounting, marketing, IT services and program support. Also included are insurance costs, quality assurance and occupancy.
